WEDNESDAY 11TH JUNE 2014

08:00AM - 11:30AM

VENUE: GREATER BIRMINGHAM CHAMBERS OF COMMERCE, 75 HARBORNE ROAD, EDGBASTON, B15 3DH

COST: FREE

Enterprise Europe Network Midlands are organising an informative seminar on Access to Finance.

Entering the world of business in the current economic climate can be a challenging and daunting prospect. Businesses often have difficulties financing their development, growth and innovations.

A panel of experts will be available to address the following themes:

- How you can access local and regional funding
- Support available from local initiatives to help you find new connections, new routes to investment and new ideas and strategies
- International trade; getting paid on time, funding export contracts and risk management

The seminar will illustrate imperative and crucial issues that will assist in avoiding the pitfalls and common errors made by businesses.
